13 April 2021

Dear Colin

Thank you to 2nd Renfrew Trinity Scout Group for your generous donation of £115.00 which allows us to continue our work in Glasgow.

Our nursery did reopen on 22 February as we hoped it would. We presently have 16 children and we're delighted to welcome two new members of staff, Laura and Amy. Laura started last week and Amy this week. We look forward to working with them both.

We have also been blessed by news of one of our guests, Vadym. Vadym was in a desperate situation with alcohol and we had concerns for his life. Our project workers Joe and Adam met him early in the pandemic and started praying for him. Despite being an atheist he appreciated the prayers. We were then able to get him into a rehab centre where Joe and Adam visited him and supported him. He is now getting support from Crossreach for his ongoing recovery and we're providing befriending support. Nine months on and Vadym is in his own flat and has started a college course.

Thank you once again to 2nd Renfrew Trinity Scout Group for your generosity that has helped Vadym and others like him in Glasgow.

Yours sincerely,

Jack Geddes
Marketing and Fundraising Manager
